

Hosting a retreat or conference and need assistance with a talk about Natural Family Planning (NFP)?

Erin Welsh, CFCP, can provide the talk and additional NFP resources for those attending!

SERVICES

- A one hour talk covering the basics of fertility and Natural Family Planning, focusing on the Creighton Model FertilityCare System
- Availability for Q&A during and after the session
- Talk can either be live (via Skype) or downloaded and played during the conference
- Certificates of completion showing participants have fulfilled the NFP component of Marriage Prep

RESOURCES

- Participants will receive handouts (electronically in PDF form) covering:
- Natural (Church approved) solutions to treat infertility and other medical issues
 - Information on other forms of Natural Family Planning
 - Details on how to receive training in various NFP methods
 - Immediate use of the Creighton Model FertilityCare System with a trained instructor

DETAILS

Location: Skype can be utilized to allow for a live presentation to be given anywhere in the world. The recorded version can be downloaded and played at your convenience.

Time: Day, evening, and weekend times are available for live sessions.

Cost:
Live Session via Skype: \$100
Recorded Session: \$50
(one time use permitted)

Erin Welsh, CFCP, is the Director of Holy Family FertilityCare. She works with couples all over the world teaching about Natural Family Planning and the Creighton Model of FertilityCare.
